SUBJECT: **New Guaranteed Scholarship for Graduating Native Students**

I have good news from the College of Menominee Nation for American Indian students who are graduating from your school this spring.

A new **Native Pathways Scholarship** has been established at CMN. Awards of \$500 are guaranteed to all Spring 2014 graduates from your school who are enrolled members or descendants* of an American Indian tribe and wish to attend the College of Menominee Nation full time in the Fall semester of 2014.

Recipients may attend either the CMN campus in Keshena or Green Bay, and may be in either an academic degree or technical diploma program.

Students are being notified through a variety of means, but I hope you will encourage graduating American Indian students to contact me about the Native Pathways Scholarship opportunity. I can be reached by phone or email:

- **Allison Waukau, 715 799-5600, ext. 3291,**
- **awaukau@menominee.edu**

Thank you for helping us spread the word and for encouraging your Native students to continue their education. Please feel free to contact me if you have questions.
