TRIBAL ORDINANCE

Pursuant to the authority vested in the Red River Tribe, by its Constitution, and particularly by Article VI, Sections 4.0 thereof, and its authority to provide for the health, safety, morals and welfare of the Tribe, the Tribal Council of the Red River Tribe hereby charters a public corporation known as the Red River Housing Authority (hereinafter referred to as the Authority), and enacts this ordinance which shall constitute the charter of the Authority.

In any suit, action or proceeding involving the validity or enforcement of or relating to any of its contracts, the Authority shall be conclusively deemed to have been established and authorized to transact business and exercise its powers upon proof of the adoption of this ordinance. A copy of the ordinance duly certified by the Secretary of the Council shall be admissible in evidence in any suit, action or proceeding.

I. Declaration of Need

It is hereby declared:

a. That there exist on the Red River Reservation insanitary, unsafe, and overcrowded dwelling accommodations; that there is a shortage of safe or sanitary dwelling accommodations available at rents or prices which persons of low income can afford; and that such shortage forces such persons to occupy insanitary, unsafe and overcrowded dwelling accommodations;

b. That these conditions cause an increase in and spread of disease and crime and constitute a menace to the health, safety, morals and welfare of the residents of the Reservation; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety protection, fire and accident prevention, and other public services and facilities;

c. That these slum areas cannot be cleared, nor can the shortage of safe and sanitary dwellings for persons of low income be relieved through the operation of private enterprise;

d. That the clearance, rehousing, and preparation for rebuilding of these areas and the providing of safe and sanitary accommodations...
for persons of low income are public uses and purposes for which public
money may be spent and private property acquired and are governmental
functions of Tribal concern;

a. That substantial construction activity is an important factor to
general economic activity and that the undertakings authorized by this
ordinance to aid the production of better housing and more desirable
neighborhood and community development at lower costs will make possible
a more stable and larger volume of residential construction activity which
will assist materially in maintaining full employment; and

that the necessity in the public interest for the provisions herein-
set forth is hereby declared as a matter of legislative determination.

II. Purposes

The Authority shall be organized and operated for the purposes of:

a. Remediating the Reservation unsafe and insanitary housing condi-
tions, that are injurious to the public health, safety and morals;

b. Alleviating the acute shortage of decent, safe and sanitary
dwellings for families of low income; and

c. Providing employment opportunities on the Reservation through the
construction, reconstruction, improvement, extension, alteration or repair
and operation of low-rent dwellings.

III. Definitions

The following terms, wherever used or referred to in this ordinance
shall have the following respective meanings, unless a different meaning
clearly appears from the context:

a. "Board" means the Board of Commissioners of the Authority.

c. "Federal government" includes the United States of America, the
Public Housing Administration, or any other agency or instrumentality,
corporate or otherwise of the United States of America.

d. "Slum" means any area where dwellings predominate which by reason
of dilapidation, overcrowding, faulty arrangement or design, lack of ven-
tilation, light or sanitary facilities, or any combination of these factors,

(1) to demolish, clear, or remove buildings from any slum area; or

(2) to provide decent, safe and sanitary dwellings, apartments, or other living accommodations for persons of low income; or

(3) to accomplish a combination of the foregoing. Such work or undertaking may include buildings, land, leaseholds, equipment, facilities, and other real or personal property for necessary, convenient, or desirable appurtenances, for streets, sewers, water service, utilities, parks, site preparation or landscaping, and for administrative, community, health, recreational, welfare, or other purposes.

The term "housing project" or "project" also may be applied to the planning of the buildings and improvements, the acquisition of property or any interest therein, the demolition of existing structures, the construction, reconstruction, rehabilitation, alteration or repair of the improvements or other property and all other work in connection therewith, and the term shall include all other real and personal property and all tangible or intangible assets held or used in connection with the housing project.

h. "Obligee" includes any bondholder, agent or trustee for any bondholder, or lessor desiring to the Authority property used in connection with a project, or any assignee or assignees of such lessor's interest or any part thereof, and the Federal government when it is a party to any contract with the Authority in respect to a housing project.

IV. Organization

1. The affairs of the Authority shall be managed by a Board of Commissioners composed of five persons.

a. The Board members shall be appointed, and may be reappointed, by the Council. A certificate of the Secretary of the Council as to the appointment or reappointment of any commissioner shall be conclusive evidence of the due and proper appointment of the commissioner.
b. The term of office shall be four years and staggered. When the Board is first established one member's term shall be designated to expire in one year, another to expire in two years, a third to expire in three years, and the last two in four years. Thereafter all appointments shall be for four years, except that in the case of a prior vacancy, an appointment shall be only for the length of the unexpired term. Each member of the Board shall hold office until his successor has been appointed and has qualified.

c. The Council shall name one of the commissioners as Chairman of the Board. The Board shall elect from among its members a Vice-Chairman, a Secretary, and a Treasurer; and any member may hold two of these positions. In the absence of the Chairman, the Vice-Chairman shall preside; and in the absence of both the Chairman and Vice-Chairman, the Secretary shall preside.

d. The Council may remove any member of the Board for cause.

e. The commissioners shall not receive compensation for their services but shall be entitled to compensation for expenses, including traveling expenses, incurred in the discharge of their duties.

f. Three members of the Board shall constitute a quorum for the transaction of business, notwithstanding the existence of any vacancies.

g. The Secretary shall keep complete and accurate records of all meetings and action taken by the Board.

h. The Treasurer shall keep full and accurate financial records, make periodic reports to the Board and submit a complete annual report, in written form, to the Council as required by Article VII, Section 1, of this ordinance. The Treasurer shall be bonded in such amount as is prescribed by the Council or by any agreement to which the Authority is a party.

2. The Board shall have authority to exercise, by majority vote of those present and voting, any and all powers delegated to the Authority by this ordinance or any amendments thereto, except as provided in Article VI, Section 5a, for the adoption of bond resolutions.

3. Meetings of the Board shall be held at regular intervals as provided in the bylaws. Emergency meetings may be held upon 24 hours actual notice and business transacted, provided that three or more members concur in the proposed action.
V. Powers

1. The Authority shall have perpetual succession in its corporate name.

2. The Authority shall have the following powers which it may exercise consistent with the purposes for which it is established:

   a. The Council hereby gives its irrevocable consent to allowing the Authority to sue and be sued in its corporate name, upon any contract, claim or obligation arising out of its activities under this ordinance and hereby authorizes the Authority to agree by contract to waive any immunity from suit which it might otherwise have; but the Tribe shall not be liable for the debts or obligations of the Authority, except insofar as expressly authorized by this ordinance.

   b. To adopt and use a corporate seal.

   c. To enter into agreements, contracts and understandings with any governmental agency, Federal, state or local (including the Council) or with any person, partnership, corporation or Indian tribe; and to agree to any conditions attached to Federal financial assistance. Notwithstanding anything to the contrary contained in this ordinance or in any other provision of law, to agree to any conditions attached to Federal financial assistance relating to the determination of prevailing salaries or wages or payment of not less than prevailing salaries or wages or compliance with labor standards, in the development or administration of projects, and to include in any contract let in connection with a project, stipulations requiring that the contractor and any subcontractors comply with requirements as to minimum salaries or wages and maximum hours of labor, and comply with any conditions which the Federal government may have attached to its financial aid of the project. In any contract with the Federal government for annual contributions to the Authority, the Authority may obligate itself to convey to the Federal government possession of or title to the project to which such contract relates, upon the occurrence of a substantial default (as defined in such contract) with respect to the covenant or conditions to which the Authority is subject; and such contract may further provide that in case of such conveyance, the Federal government may complete, operate, manage, lease, convey or otherwise deal with the project and funds in accordance with the terms of such contract.

Provided, That the contract requires that, as soon as practicable after the Federal government is satisfied that all defaults with respect to the project have
been cured and that the project will thereafter be operated in accordance with the terms of the contract, the Federal government shall reconvey to the Authority the project as then constituted. It is the purpose and intent of this ordinance to authorize the Authority to do any and all things necessary or desirable to secure the financial aid or cooperation of the Federal government in the undertaking, construction, maintenance or operation of any project by the Authority.

d. To lease property from the Tribe and others for such periods as are authorized by law, and to hold and manage or to sublease the same.

e. To borrow money, to issue temporary or long term evidence of indebtedness; and to repay the same. Corporate bonds shall be issued and repaid in accordance with the provisions of Section VI of this ordinance.

Such rules and regulations may establish priorities for the admission of tenants, and provide for the eviction of tenants for failure to pay rent, for failure to comply with rules and regulations, or for failure to maintain the premises in satisfactory condition.
The Board shall insure that dwelling accommodations in a housing project shall be made available only to families of low income at rentals within their financial reach by (A) establishing lower than average rentals for especially needy families, and (B) by establishing income limits for admission and continued occupancy by low income families. In making these determinations, the Board may take into consideration family size, composition, age, physical handicaps or other factors which might affect the financial ability of the family to pay rental and shall consider as well such economic factors as may affect the financial stability and solvency of the project.

J. To purchase insurance in any stock or mutual company for any property or against any risk or hazards.

k. To invest such funds as are not required for immediate disbursement.

l. To establish and maintain such bank accounts as may be necessary or convenient.

m. To employ an executive director, technical and maintenance personnel and such other officers and employees, permanent or temporary, as it may require; and to delegate to such officers and employees such powers or duties as the Board shall deem proper.

n. To take such further actions as are commonly engaged in by corporate bodies of this character as the Board may deem necessary and desirable to effectuate the purposes of the Authority.

o. To adopt such bylaws as the Board deems necessary and appropriate.

3. No ordinance or other enactment of the Tribe with respect to the acquisition, operation, or disposition of Tribal property shall be applicable to the Authority in its operations pursuant to this ordinance unless the Council shall specifically so state.

VI. Bonds

1. The Authority may issue bonds from time to time in its discretion for any of its corporate purposes and may also issue refunding bonds for the purpose of paying or retiring bonds previously issued by it. The Authority may issue such types of bonds as it may determine, including bonds on which the principal and interest are payable: (a) exclusively from the income and revenues of the project financed with the proceeds of such bonds, or with such income and revenues together with a grant from the Federal government
in aid of such project; (b) exclusively from the income and revenues of
certain designated projects whether or not they were financed in whole.
or in part with the proceeds of such bonds; or (c) from its revenues
generally. Any of such bonds may be additionally secured by a pledge

public and governmental purpose and to be public instrumentalities and,

from taxes. The tax exemption provisions of this ordinance shall be
considered part of the security for the repayment of bonds and shall
constitute, by virtue of this ordinance and without necessity of being
restated in the bonds, a contract between (a) the Authority and the Tribe, and (b) the
bondholders and each of them, including all transferees of the bonds from
time to time.

      of payments, at such places and be subject to such terms of redemption,
      with or without premium, as such resolution may provide.
   c. The bonds may be sold at public or private sale at not less than par.
   d. In case any of the commissioners of the Authority whose signatures
      appear on any bonds or coupons cease to be commissioners before the delivery
of such bonds, the signature shall, nevertheless, be valid and sufficient
for all purposes, the same as if the commissioners had remained in office
until delivery.

6. Bonds of the Authority shall be fully negotiable. In any suit, action or
proceedings involving the validity or enforcement of any bond of the Authority
or the security therefor, any such bond reciting in substance that it has
been issued by the Authority pursuant to this ordinance shall be conclusively
deemed to have been issued for such purpose and the project for which such
bond was issued shall be conclusively deemed to have been planned, located
and carried out in accordance with the purposes and provisions of this
ordinance.

7. In connection with the issuance of bonds or incurring of obligations
under leases and in order to secure the payment of such bonds or obligations,
the Authority, subject to the limitations in this ordinance, may:

a. Pledge all or any part of its gross or net rents, fees or revenues
to which its right then exists or may thereafter come into existence.
